

Invitation to Expert seminar

Electricity self-sufficiency in conditions of liberalized electricity market 2024

10.4.2024 – 12.4.2024, Sapientia Hungarian University of Transylvania, Cluj-Napoca, Târgu Mureș, Romania

The event "Electricity self-sufficiency in conditions of liberalized electricity market 2024" is an expert seminar taking place from April 10 to April 12, 2024, at the Sapientia Hungarian University of Transylvania, Cluj-Napoca, Romania. It is organized by the Department of Electric Power Engineering, Faculty of Electrical Engineering and Informatics, Technical University of Košice. The seminar includes a series of lectures on topics like renewable energy sources, the impact of climatic influences on power lines, and the role of energy monitoring in modern electrical systems. Papers from the seminar will be published in the Acta Universitatis Sapientiae journal.

Members of the Program Committee

Assoc. prof. József Domokos, PhD. Eng.	Sapientia University, RO
Dr. habil Judith Pálfi, MBA prof. Ing. Michal Kolcun, PhD.	Óbuda University, HU Technical University of Košice, SK
prof. Ing. Radomír Goňo, Ph.D.	VSB – Technical University of Ostrava, CZ
dr hab. inż. Damian Mazur	Rzeszow University of Technology, PL
dr hab. inż. Tadeusz Kwater	University Of Technology And Economics, PL
doc. Ing. Zsolt Čonka, PhD.	Technical University of Košice, SK
doc. Ing. Dušan Medved', PhD.	Technical University of Košice, SK
dr inż. Tomasz Kossowski	Rzeszow University of Technology, PL
dr inż. Bogdan Kwiatkowski	Rzeszow University of Technology, PL
dr inż. Jacek Bartman	University of Rzeszów, PL
dr inż. Grzegorz Drałus	Rzeszow University of Technology, PL
dr inż. Mariusz Borkowski	Rzeszow University of Technology, PL
doc. Ing. Ľubomír Beňa, PhD.	Technical University of Košice, SK
Ing. Samuel Bucko, PhD.	Technical University of Košice, SK
Ing. Jozef Király, PhD.	Technical University of Košice, SK
Ing. Marek Pavlík, PhD.	Technical University of Košice, SK
Ing. Ján Zbojovský, PhD.	Technical University of Košice, SK
Ing. Róbert Štefko, PhD.	Technical University of Košice, SK
Ing. Marek Bobček	Technical University of Košice, SK

Program

10.4.2024

15:00 – 16:00 Arrival of participants, registration, accommodation

17:00 – 18:00 **Opening of the expert seminar**

18:00 – 20:00 Expert lectures:

Block of lectures I (section 1)

20:00 – free break

11.4.2024

08:00 – 09:00 Breakfast

09:30 – 12:45 Expert lectures:

Block of lectures II (section 1)

13:00 – 14:00 Free break

13:00 – 14:00 Expert lectures:

Block of lectures I (section 2)

17:00 – 20:00 Free program

12.4.2024

08:00 – 09:00 Breakfast

09:30 – 12:00 **Future scientific cooperation**

13:00 Conclusion of the expert seminar
